COUNCIL OF MINISTERS

18, Lesteva Street, Moscow, M-162

Mr. D. McGuire
Chief of the Forestry Department
U.S. Department of Agriculture

Dear Mr. McGuire,

The State Committee for Forestry of the U.S.S.R. Council of Ministers cordially thanks you for the kind invitation extended to the Soviet delegation of forestry specialists for a visit of the United States of America beginning October 18, 1974.

We agree basically with the program which you suggest for the stay of our specialists in the U.S. However, we plan to return from Washington on November 1. Concerning the visit to New York, we would like to make that trip from Washington on one of the free days--October 20, so that we can begin our meetings on October 21.

As concerns the composition of the delegation, it remains the same. Would you please consider our proposal and inform us of your decision.

Sincerely,

STATINTL
